

How New Home Health COPs Will Impact LHCSAs

Important Regulatory Information for all Licensed Home Care Services Agencies!

Tuesday, March 21, 2017 • 11:00 am – 12:00 pm

The Centers for Medicare and Medicaid Services (CMS) has released the updated Home Health Conditions of Participation (COPs) that will be effective July 13, 2017. While these updates are for Certified Home Health Care Providers, they also impact the care and services provided by Licensed Home Care Services Agencies (LHCSAs). **Attend this program to get important information about how the new COPs will impact the care and services provided by LHCSAs.**

This program will address revised regulatory standards for home health aide services, including competency evaluation updates, supervision, and documentation requirements to support these changes.

Attend this important program to:

1. Get essential information about regulatory changes and clarifications in the final home health COPs that impact home health aide services in the home care setting;
2. Receive updates for home health aide competencies, including communication and skin changes requirements;
3. Learn what actions you will need to take to address and implement each standard update;
4. Access tips to comply with the new home health regulatory standards for home health care services.

Who Should Attend

Administrators; Clinical Supervisors; Directors; Educators, Performance Improvement Staff and those responsible for the oversight and delivery of care and services in the licensed home care setting.
