Glenn Lefebvre has joined the New York State Association of Health Care Providers (HCP) as Vice President of Public Policy and will oversee the Association's public policy program, including legislative and regulatory advocacy, development of grassroots lobbying campaigns and all other related policy responsibilities.

He has handled a wide variety of legislative and legal issues, including health care policy and finance, public health issues and matters of interest to attorneys and the public. Lefebvre is a frequent writer and speaker on various governmental relations and legislative matters.
