

HCP Advocacy Day Sponsorship

Tuesday, February 25, 2020

As we approach New York State’s 2020 Legislative Session and budget season with a reported state budget gap of \$6.1 billion dollars, \$4 billion being attributed to Medicaid, and many analysts pointing to the growth in Home Care as the cause, it is critical for the home care industry to make their voices heard.

Support home care through an Advocacy Day Sponsorship!

Your \$500 Advocacy Day Sponsorship includes the following:

- Verbal recognition and sponsorship signage at the Breakfast & Briefing
- Ability to display collateral at Tuesday’s Breakfast
- Your company name featured on all Advocacy Day marketing and promotional materials
