

The New York State Association of Health Care Providers, Inc. (HCP) is a trade association representing home and community-based care providers across New York State through advocacy, information and education.

HCP offers Allied membership to foundations, academic institutions, and other associations. These organizations either work in partnership with the home care industry or have common interests. HCP membership enables them to take advantage of the advocacy efforts, information and benefits of their membership in HCP.

Any organization that joins as an HCP Allied member that has an affiliated home care agency may NOT provide HCP Member benefits to their affiliated agency(s) or association members, including distribution of HCP e-publications, Member Alerts and other HCP communications. The affiliated home care agency(s) must join HCP as a Provider member and pay dues based on their agency's revenues as indicated on the HCP Provider membership contract.

Allied members must be members of HCP at the State level in order to be eligible for local HCP Chapter membership.

2021-22 HCP Allied Member Dues: \$1,595 per year

HCP Membership is for one full year, November 1, 2021 – October 31, 2022. Allied member dues are NOT prorated.

NOTE: HCP dues are not deductible as a charitable contribution for Federal tax purposes, but may be deductible as a business expense. However, in accordance with Section 13222 of OBRA 1993 (Denial of the Deduction for Lobbying Expenses), 9% of your membership dues are not tax deductible as ordinary and necessary business expenses.
