

IHANS Notification for Nursing Homes, Adult Care Facilities, Hospice Providers and Home Care Agencies

Please Assign Multiple Individuals to Health Commerce System Roles

The Daily COVID-19 Survey is used to capture data necessary to help the Department policy decisions including the allocation of valuable resources. The daily survey is due by 1:00pm every day, seven days per week.

With respect to the coming holiday season, it is imperative that all providers assign **at least two individuals capable of meeting the daily deadline and are available to answer any calls from the Department of Health** for each of the following Health Commerce System roles:
