

Unlock the Power of Local Connection

HCP REGIONAL GROUPS & CHAPTERS

HCP's regional groups and chapters provide a dynamic and supportive network for home care providers, fostering collaboration, advocacy, and professional growth at the local level. Members gain access to a strong community that shares valuable insights, tackles regional challenges, and champions the interests of the industry.

Virtual Meeting, date TBA

BENEFITS OF REGIONAL GROUP AND CHAPTER MEMBERSHIP

Stronger Together – Work collaboratively to address local issues and find solutions.

Exclusive Networking – Connect with peers, share experiences, and gain mentorship.

Valuable Education – Stay informed with programs on key home care topics.

Community Impact – Help raise awareness about the benefits of home care.

Grassroots Advocacy – Strengthen relationships with local legislators and regulators.

As the only home care association with an active statewide network of chapters and regional groups, HCP ensures its members have the local support and resources needed to thrive.

An organization must be an HCP member at the statewide level to be eligible to join a regional group or Chapter.

For more information about HCP membership, click or scan the QR code.
